About the College

Holy Kings' College of Engineering and Technology, founded in 2011 is approved by AICTE and affiliated to APJ Abdul Kalam Technological University and M.G University. The College with nearly 1.7 lakhs Sq Ft building situated in a sprawling campus of 13 acres, is located in Pampakuda on the side of Muvattupuzha-Pravom Road. A highly committed Management Team and a competent and dedicated Faculty are on a great mission of transforming the College into a Center of Excellence in Engineering education. Within a short span of time the college has earned a great reputation among the engineering Colleges in Kerala.

VISION

Develop as a Centre of Excellence for Moulding Globally Competent Professionals with Refined Attitudes, in Technology and Management.

MISSION

1. Ensure teaching- learning process at par with international standards.
2. Impart Career Orientation to meet global competition, and provide excellent opportunities for interaction with industries / Organizations.
3. Prepare the students for taking up responsibilities with social commitment.
4. Create an environment to enhance positive attitudes.
5. Incubate a spirit of innovation and problem solving approach.

MANAGEMENT

Holy Kings' college of Engineering and technology founded by Noble Educational & Charitable Trust is managed by a group of like- minded socially active persons with proven track record of excellence.

- B.Tech. Courses offered**
- Mechanical Engineering
 - Civil Engineering
 - Computer Science & Engineering
 - Electrical and Electronics Engineering
 - Electronics & Communication Engineering
- M.Tech. Courses offered**
- Structural Engg. & Construction Management
 - Industrial Instrumentation & Control

HIGHLIGHTS OF HOLY KINGS

- A Committed Management Team with High Level of Credibility and Noble Vision.
- Highly competent and dedicated Faculty.
- Scientifically planned and eco-friendly infrastructure.
- Well equipped and spacious Labs & Workshops.
- State-of-the-art library.
- Modern Computer Centre.
- Excellent Placement Assistance.
- Effective Student evaluation and remedial measures.
- Output oriented Aptitude Training and Personality Development Programme.
- Regular Classes in Communicative English with Language Lab.
- Effective Counselling and Mentoring System.
- Healthy Parent - Teacher Interaction Facility.
- Institute-Industry Interaction Facility.
- Transport facility for Students.
- Separate Hostels for Boys and Girls.
- Active Physical Education Department.
- Neat and hygienic Cafeteria.
- Active Professional Bodies and Clubs.

Duration of the Courses
 B.Tech 4 years (8 Semesters)
 M.Tech 2 years (4 Semester)
